5 Super - 27th February 2015

GOF

“Innovative design and the use of finest, natural materials in our products are the core of GOF’s operation. Genuine fur makes our products exciting and unique.”

At Milano 5 Super Finnish accessory brand GOF will present it’s new collection of FW15/16 accessories. Collection includes hats, mufflers, gloves and beanies from casual and easy to more sophisticated styles.

GOF is a Finnish family business manufacturing fashionable clothing and accessories as well as lifestyle interior design products. The company boasts more than 50 years of experience in the fur business and uses generous quantities of genuine fur, leather and other natural materials in its products.

Our knowledge of materials and network of contacts, built up over a long time period, combined with fresh design ideas translate into high-quality, beautiful and functional products.

GOF stand in Super p.3 D/48.
